3. (S/NF/SK) COMMENTS: Excellent session. 032 experienced all sensory perceptions and dimensionals. His structure was impeccable all AOLs objectified in structure, no prompting necessary. 032 has developed great trust for the I/A/B process-- his stage 1 is immaculate, hence his easy facility with stage 2. 032 experienced his first AI today (he was so hot, he was sweating) though he didn't realize it until after the session when it occurred to him that for once the CRV room wasn't hot.

COLONIAL WILLIAMSBURG

restored capital of Virginia, eighteenth-century America lives again for the
live and enjoy. In preparing the painting, the artist has omitted many trees to
